What we're looking for

As the Senior Digital Designer, you'll be responsible for leading the execution of Resolution's digital-first creative product. You will deliver high quality concepts and designs across digital formats from social media to video, with a real focus on rich media formats. You'll work with a team of designers in Australia and offshore to constantly push for creative that delivers remarkable results for our clients. Your deliverables will always be of the highest quality and be completed in a timely and efficient manner.

Role requirements

Not just anyone can fill this role. We want someone who can take it and make it their own. You'll love creativity, collaboration and the opportunities new technology provides. You'll be flawless with design with a meticulous eye for detail and have at least 5 years agency experience. It will be a bonus if you have animation and video editing skills and an understanding of the programmatic digital advertising industry.

Other responsibilities include:

- Establishing the conceptual look and feel and identity for campaigns in digital environments
- Adapting non-digital assets for digital environments according to channel best practice
- Ability to clearly illustrate, mockup and present concepts and ideas effectively
- Ability to lead and participate in stakeholder meetings, effectively presenting and communicating ideas and design directions
- Seeing an idea through the creative process through to final sign off and delivery
- Briefing in junior designers and reviewing their work to ensure it is always of the highest standard
- Constantly seeking to further your knowledge by keeping up to date with new technologies, trends, industry standards and processes
- Identifying emerging trends in digital design and advertising
- Business development with new and existing clients; including contributing to pitches, proposals, and case studies
- Training and mentoring more junior team members, leading by example

What we can offer you is:

- Opportunity to be Remarkable everyday –you will get the opportunity to work with top technical specialists in Australia
- Great Place to Work – We have been awarded Employer of Choice 6 years in a row, Google Performance Agency of the Year 3 years in a

Row and B&T: Best Programmatic Trading Team.

- Opportunity to Grow & Develop - We love learning and we offer ResoUni which is curated, specialised courses to help you broaden your horizon & capabilities. We also offer you access & certification to the latest industry technology, tools & platforms
- Autonomy & Flexibility to Shape your day- We offer flexible working to help you achieve your life-work balance.
- We are Better Together- we love a celebration and host various events throughout the year for our tribe to have a good time. We host a wide range of events from social get togethers to celebrating Birthday and Cultural milestones, to giving back to the community in our annual Appreciation Day – there's something here for everyone!
- Specialised Wellbeing initiatives to help you feel & achieve your best every day. Our Spirit Committee is dedicated to promoting wellness and our comprehensive wellness program which includes loads of initiatives such as access to our EAP- CARE, Pilates, yoga, goal setting sessions so that you can feel 100%.
