#### About Us:

At Anglicare Victoria our focus is on transforming the futures of children and young people, families and adults. Our work is based on three guiding pillars, Prevent, Protect, Empower. We offer a comprehensive network of services and seek to ensure the provision of high quality services that will bring about significant improvements in the life experience of the young people, children and families/caregivers with whom we work.

**The Inner Gippsland Family Services Alliance (IGFSA)** work together as a responsive and coordinated partnership to enable the safe, strong and healthy development of children, young people and families who are experiencing vulnerability in Inner Gippsland. Family Services will support families who need assistance with the care and wellbeing of children to access the services they need to be safe and supported.

At other times, more intensive Family Service programs targeted towards Placement Prevention and Reunification will support families when there is a risk of children entering care, or the potential to exit care within early stages, and will respond to these families in proactive and timely manner that enhance attachment and build stronger families. The IGFSA commit to work creatively,

 **AUSTRALIAN CITIZEN / PERMANENT RESIDENT**

collaboratively and flexibly in the spirit of supporting some of the most vulnerable children across the Inner Gippsland catchment.

**The Position:**

The Alliance Facilitator will work in partnership with funded partners of the IGFSa, Family Safety Victoria (The Orange Door) and the Department of Health and Human Services to develop and implement practice and work flow guidelines, procedures and manuals for The Orange Door (TOD) into Family Service Programs within Inner Gippsland. The role will also update existing agreements, manuals and protocol documents of the IGFSa and lead key initiatives identified within the IGFSa catchment plan.

**To Be Successful in this Position You Will Need:**

- Relevant tertiary qualifications in Social Work, Psychology, Early Childhood Specialist and/or related behavioural sciences at degree level with substantial experience; or associate diploma level with substantial experience in the relevant service stream, or less formal qualifications with specialised skills sufficient to perform at this level.
- Experience in planning, development and implementation of service systems and processes particularly in relation to Human Services and/or Family Services.
- Expert knowledge and experience working in clinical and social services management roles: demonstrated experience in risk assessment and risk management; demonstrated cross-sectoral expertise in relevant disciplines, including but not limited to a knowledge of the drivers/causes of family violence, child development, attachment and trauma theories; and, a deep understanding of the role of the law and legal system in the context of responding to family violence and vulnerable children and families.

Please Note: It is mandatory for the successful applicant to hold a current Working with Children Check and be prepared to undergo a National Criminal History Check prior to commencement.
