REFRIGERATION EQUIPMENT

Full job description

- Permanent Opportunity - Immediate start - Australian family owned company
- Company vehicle - Service coverage will be across all of metro Melbourne
- Open to either Refrigeration mechanics or Electricians
- Generous Salary Package - Overtime, oncall allowances and leave loading

The Company

Our client is an Australian family owned business that has been working in the Australian market for over 100 years and prides itself on its reputation and legacy. They have excellent tenure within the services team and had a strong onboarding and training process.

The Role

Reporting to the Services Manager, we are looking for either a licensed refrigeration mechanic or a qualified Electrician to complete connections, services, and repairs on site at our client's customer sites.

You will be required to support an on-call roster (standby allowance and also penalty rates apply if called out). On call is generally once every 3 months.
