Full job description

Your new company

This Federal Government agency is a part of the national security community, working across the full spectrum of operations required of contemporary signals intelligence and security agencies: intelligence, cyber security, and offensive operations in support of the Australian Government.

Your new role

Working in a high-profile portfolio, the Division you'll work with a small and supportive team. In this role you will provide exceptional service to the organisation and division. You will be a self-starter with a high level of technical expertise within. Tasks within this role are inclusive of, but not limited to the following:

- strategic financial planning
- budgeting
- forecasting
- Financial analysis
- Data Analysis
- Financial evaluation and decision making relating to financial viability
- Management reporting

What you'll need to succeed

You will have relevant qualifications and/or experience working within a Government financial framework (or equivalent). You possess an eagerness to enhance the future of finance. Your interpersonal, stakeholder engagement and communication skills are high-level. You are an enthusiastic team player with strong leadership and staff management attributes.

Australian citizenship is a necessity, and you must also be willing to obtain the highest level clearance and hold a Federal Government Security Clearance of NV1.

What you'll get in return

You will work in a committed that supports and drives change within the public service. This department provides a working environment that values diversity and inclusion and supports you to reach their full potential, on-going professional and professional development will be offered as well as expert mentoring to aid you in your career progression.

Offering hourly, Non-Ongoing Or a Section 26 transfer at leave or a secondment for a high proffering APS6 or EL1.
