## Full job description

We are looking for positive, energized people who are passionate about the automotive industry. This is a 12 Month Traineeship where you will be completing a certificate II in Tyre Fitting and gaining hands on experience in the job role. You don't need to have tyre industry experience as you will be trained on the job, but you will be mechanically minded and be a good problem solver.

You will be committed to providing excellence in customer services by safely performing services on the customers vehicle in the workshop. You will also;

### About You

- Have a strong understanding and commitment to safety
- Enjoy hands on physical work
- Have good time management skills
- Good problem-solving skills
- Take pride in a job well done
- Ability to work autonomously
- Hold a current driver's license (Light Rigid Truck License pref but company may support you to get this)

### About the role

Once trained you will be working on our customer sites, where you will safely
