Full job description

Our client owns and operates a modern, clean and well-equipped workshop in the southeast suburbs of Perth. Due to growth of the business, they are seeking qualified LV mechanics to join their workshop.

This independent, clean and modern workshop offers extensive services to their customers, including logbook servicing, general servicing, diagnostics, up to major repairs to all model of passenger cars and light commercial vehicles. They are part of a large network of workshops and offer you great career progression in the future.

They are looking for qualified Light Vehicle Mechanics with strong, hands on experience, who take great pride in their work and offer exceptional customer service to their clients. They want people who are adaptable and who can think on their feet. A mechanic that can think outside the box and is able and willing to get the job done right, the first time. An AC licence is highly desired.

Essential requirements:

- Must hold your full qualification in Automotive (Light Vehicle)
- Motor vehicle repairers' licence is highly desired, but not essential.
- At least 5 years post qualification experience
- Hold a valid manual driver's licence
- Have effective communication skills.
- Be a strong team player.
- Be proficient in diagnostics.
- Be committed to workshop safety.
- Must have own tools.
- Be a hard and diligent worker.
- First aid certificate is desirable.
- AC Licence is highly desired.

In return a very attractive salary is on offer, including incentives, plus you will be offered on-going training to take your automotive career further.
