Full job description

This is a great opportunity to join a large federal government in the Sydney CBD for a 12-month fixed term contract which may get extended.

The Opportunity

This is a great opportunity to join a large federal government in the Sydney CBD for a 12-month fixed term contract which may get extended. Join a business that offers exceptional work life balance, interesting projects and a great team environment.

The Role

Reporting to the Head of ICT Procurement, you will work across the ICT Category for the organisation. Aspects of the role will include:

- Develop, lead and execute category plans and sourcing strategies.

Work Authorisation

AUSTRALIAN CITIZEN / PERMANENT RESIDENT

- Identify and manage commercial, contractual, operational, financial, reputational, ethical and supply chain risks
- Lead negotiations on high impact, complex supply arrangements and contract issues to deliver better category outcomes.
- Develop and foster a culture of best practice by continuously improving the organisations corporate procurement systems and procedures.
- Develop, implement and maintain systems and standards of procurement operations.
- Lead the preparation, delivery, evaluation and administration of contracts associated with the ICT category.
- Actively engage with internal and supplier stakeholders

Your Background

- You will have proven ICT Category Management experience;
- Tertiary qualifications in a relevant discipline, or equivalent years in worked experience, and relevant professional accreditation or certification, such as MCIPS.
- Previous government experience is not required but would be ideal.
- Cultural fit is very important to this team. The role suits someone that is a strong team player, driven and who is an effective communicator.

Please apply now or for more information, please contact Ilsa Cozens on 0403 330 659. Please submit your CV in word format only.
