Full job description

Modbury

- Flexible
- Family Friendly
- Part Time (0.8)

The Hospital Research Foundation Group is seeking an outstanding Art Therapist to join our Centre for Creative Health team providing Art Therapy services for Aged Care, Rehabilitation and Palliative Care (ACRPC) within the Northern Adelaide Local Health Network (NALHN) – principally Modbury Hospital.

This position is a part time (0.8) permanent position.

The Art Therapist supports the members of multi-disciplinary teams in delivering quality care through the development of Art Therapy programs

The Hospital Research Foundation is an impactful and dynamic not-for-profit, which supports health and medical research at hospitals across South Australia.

Reporting to the Executive Director Centre for Creative Health (THRF) Group and responsible to the Advanced Nurse Unit Manager (SA Health) for day-to-day activities, together as a team, you will help develop, implement and evaluate the established Arts Therapy Program.

The Hospital Research Foundation prides itself on offering flexible, family-friendly work arrangements for staff. Our culture encourages innovation and teamwork.

AUSTRALIAN CITIZEN / PERMANENT RESIDENT

Role responsibilities include:

- Assist in the development, implementation and evaluation of the Art Therapy program to meet social, emotional, intellectual, and physical needs of consumers working both individually and in group
- Develop and refine referral and reporting mechanisms for ongoing dialogue
- Provide Art Therapy information to NAHLN staff, patients, and their families
- Contribute to the development of services by providing consultancy to other departments as required
- Provide relevant work statistics and other related information as required including no-identifying case examples as required
- Actively promote the Art Therapy discipline and its associated activities

You will ideally have:

- Completion of Master of Art Therapy or equivalent from an accredited University or provider
- Must be a professional member registered with Australian, New Zealand and Asian Creative Arts Therapy Association (ANZACATA)
- Demonstrated ability to be innovative, self-motivating, flexible, creative, and reliable
- Ability to work as a team and with limited supervision
- Ability to communicate effectively and work cooperatively within a multi-disciplinary team environment
- Ability to assess clients, evaluate progress and provide clear, concise written and verbal feedback to clients and staff

Please ensure you have read the Position Description provided and addressed the key criteria in your covering letter.

If you are willing to bring your passion and expertise to a fast-paced, challenging and dynamic organisation apply now!
