Full job description

Adelaide Metropolitan Area

SACARE is a South Australian owned and operated organisation leading the way in providing innovative in-home and supported accommodation care solutions to a diverse range of clients. The organisation lives by the mantra "if it's not fun, don't come" and aims to inject a strong sense of fun and vibrancy into everything we do. We are passionate about the delivery of professional, client-centred care for individuals living with complex needs and aim to create an empowering, engaging environment for all our employees.

Our THRIVE team are looking for motivated Lifestyle Assistant to join their vibrant and ever-growing team. THRIVE is an evidence-based program developed by a counsellor that provides tools for individuals to live their best life. This program is about increasing positive emotions through therapies such as psychotherapies and counselling. The focus of the THRIVE program is to help clients gain choice, control, and self-determination to achieve motivation which result in better mental health and well-being.

This is brilliant opportunity to join one of South Australia leader in Disability, and gain experience within our award-winning program.

A day in the life of a therapeutic assistant looks like this:

- Applying a person-centred approach to assist with the prescribed programs, tasks, schedules, and self-care activities for each client, to
