### Full job description

*Willunga, SA*

SACARE is a South Australian owned and operated organisation leading the way in providing innovative in-home and supported accommodation care solutions to a diverse range of clients. The organisation lives by the mantra "if it's not fun, don't come" and aims to inject a strong sense of fun and vibrancy into everything we do. We are passionate about the delivery of professional, client-centred care for individuals living with complex needs and aim to create an empowering, engaging environment for all of our employees.

Here at SACARE we are seeking Casual Support Workersthat possess the relevant skills, qualifications and experience to provide individualised care to our clients both in-home and access to the community. **Specifically SACARE is seeking motivated and reliable individuals with experience working with clients diagnosed Dementia and Alzheimer's disease to provide ongoing support.**

Successful candidates will be committed to building a career within the Disability industry, possess exceptional communication and interpersonal skills; while being passionate about the provision of a client-centred service to all of our fabulous clients. In addition they will be equipped with a strong understanding of the impacts of dementia on the person and their family as well ability to work in a team.

**To be considered for a position within the SACARE family, you must have:**

- Certificate III or higher in Aged Care, Disability Services or Community Services
- Current DHS Disability Clearance or NDIS Workers Check
- Working With Children Check
- Current Provided First Aid Certificate
- Current Manual Handling Certificate

- Unrestricted Driver's License
- Experience working with Dementia and Alzheimer's disease (Desirable)

**All candidates must be able to demonstrate:**

- Prior experience working as a Disability Support worker, providing in-home care or within a Supported Accommodation Facility
- An evident passion and commitment to your role as a Disability Support Worker
- The ability to empower our clients and encourage independence through a client-centred approach
- Reliability and adaptability in order to meet the needs of our clients and the changing dynamic of the industry
- Build rapport and engage with a diverse range of individuals
- Understanding of and ability to, advocate for the organizations mantra and core values
- Excellent verbal and written communication skills

Availability is extremely important to us at **SACARE**, we require all successful candidates to be available across a 24/7 roster and to be comfortable travelling between client sites to deliver required services within the Adelaide Metropolitan region.

This is a valuable opportunity for candidates who are seeking a vibrant and professional working environment, where their contribution is truly recognised and valued.

Please be sure to include a current CV outlining your relevant Dementia experience & skills. You will be required to upload a short video and answer 5 questions.

**“This is not a job. It’s a responsibility. If it were a job, you could work anywhere. You’re here to transform care and change lives. In return, yours will be transformed.”**

**People are the centre of everything we do.**
