care and services to your residents by using all available resources and modern management practices.

Your strengths in operational and financial management, stakeholder relationships, workforce planning and optimising service delivery will ensure success in the role. You will contribute to the ongoing development, implementation and monitoring of the organisation's strategic and operational plans.

For further details regarding the scope of the role, please refer to the attached position description.

### **About you**

With a significant level of senior management experience within the healthcare sector, you will be outcome-focused with a proven track record in developing teams and delivering results, as well as an in-depth knowledge of care related services.

Experience within the aged care sector is essential, as are relevant tertiary qualifications, high-level communication skills and the ability to work with colleagues and leaders at all levels from across the organisation.

All Southern Cross Care employees must have a current National Police Certificate for the Purpose of Aged Care.

### **About this opportunity**

This is a rare opportunity to join a dynamic, not-for-profit organisation and help create a better future for you and your community.

You'll enjoy exceptional learning and development opportunities, and salary packaging benefits that will help you to maximise your take-home pay. You'll also be working with a friendly and inclusive team that genuinely cares about you.

With our organisation growing to meet the needs and exceed the expectations of our community, there's never been a better time to join the Southern Cross Care team.
