Full job description

Salisbury East - Star Discount Chemist

Why Star Pharmacy?

- An attractive salary package on offer
- A structured induction program to set you up for success
- A workplace focussed on being 'Happier and Healthier Every Day!'
- Product discounts

About the role:

A unique opportunity has become available for a Dispensary Technician to join a professional and friendly team. You will receive individual attention and support from our Pharmacist Manager, Retail Manager and the existing team in all aspects of liaising with pharmacy customers while delivering exceptional customer service.

Valued attributes:

- A willingness to embrace and practice our values
- Eager and willing to add to your knowledge base and skills
- Leading by example and being a good role model for your team
- A deep understanding of exceptional customer service
- The ability to communicate clearly and effectively in various mediums
- Ability to work in harmony with co-workers
- Technical competency supported by resilience and flexibility
