### Full job description

*Gepps Cross*

- **Innovator & recognised leader in Australian retailing and manufacturing**
- **Benefit from support & Stratco training**
- **Full Time Position**

With over 70 years' experience in the building and home renovation markets, Stratco has become one of the largest producers and marketers of quality building and home improvement products in Australia and is actively pursuing a place on the world stage. Stratco has state of the art manufacturing facilities in all mainland states of Australia along with a network of home improvement stores throughout the country.

#### About the role

As a key member of our Gepps Cross logistics team you will be required to assist with the manufacturing of products and the packing and loading of products for our trade and retail customer base. We have a number of roles to fill covering various parts of our business operation that will require a high attention to detail and a customer service focussed attitude.

#### Responsibilities:

- Moving of manufactured and building products
- Packing and transport preparation of manufactured and building products
- Loading of trucks and customer vehicles
- General yard housekeeping activities
- Adherence to Stratco critical safety policies and procedures

#### Skills and attributes:

- A passion to deliver outstanding customer service

- Excellent communication skills
- Enthusiastic with a strong work ethic
- The ability to work in a team environment
- Experience in the building industry and metal products preferred
- Fork truck licence (preferred)
- MR licence (preferred)

**This is a full-time position.**

**Apart from offering a top career in logistics, support and training, Stratco offers you a great place to work.**
