Full job description

Back Psychologist - Hervey Bay Job Classification Psychologists Job Type Part Time Salary / Pay Type Annual Salary / Pay Range \$0 to \$30k Start timeframe Immediately Location >hervey bay QLD 4655 Posted By Naomi Wallace This growing practice needs outstanding Psychologists to join their dynamic team! About the business Opportunity available for a Psychologist role at their Hervey Bay Practice. Psychologists are an integral part of the vast majority of their patients' rehabilitation, and would love to team up with high-quality Psychologists to assist in providing optimal patient outcomes. The large modern practice features a cohesive team of Physiotherapists, Exercise Physiologists, Remedial Massage Therapists, Dietitians and Podiatrists. They are passionate about providing the highest level of patient care and strongly believe that working closely as a multidisciplinary team provides patients with THE BEST possible chance of a positive outcome. As a friendly and supportive team, this organisation creates the perfect environment for individuals to not only strive to achieve their best and challenge the norm. The career pathways are second to none. Over the past 28 years, this organisation has evolved into one of the leading Physiotherapy groups in South East QLD. With a focus on training, professional development and creating a culture where people love coming to work. The values are simple: * Respect all, * Be memorable, * Collaborate and grow, * Innovate for the future, * AND show the love! So if you align with our values and are passionate about your work, please click apply! About the role * Assess, diagnose, and treat psychological problems related to physical and mental health, * Promote health behavior, preventing diseases and improving patients' quality of life, * Build relationships with local medical professionals, * Work collaboratively with physiotherapists and other allied health professionals in a dynamic team of therapists. Benefits and perks * Working with a multidisciplinary team, * Mentor support and mentoring roles facilitate your ongoing growth, * Wonderful admin staff to keep things running smoothly, * Excellent remuneration with built in incentives. Skills and experience * In-depth knowledge and experience in individual psychology, * Hold relevant degree/s in psychology and registered with the Psychology Board of Australia to practice as a registered psychologist, * Have current APHRA

registration, * Current Professional Indemnity Insurance, * Have strong communication skills and the ability to build rapport with a range of clients. * Enjoy working as part of a team and be willing to contribute to the continued growth of the business, * Self-driven, autonomous and disciplined, * Be patient oriented. If this sounds like the position for you please click apply now and submit your CV and Cover Letter.
