## Full job description

Intrinsic Health are looking for a passionate and driven **Podiatrist** to join our growing multidisciplinary team.

### About the role

- Part-time – minimum 1 day per week, up to 4 days
- Casual, permanent or contractor role available
- Residential aged care setting, with scope to expand the role into private practice and community work, if desired
- Earn up to \$400 per day
- Located in Maryborough, QLD

For a Podiatrist to enjoys travelling and a mixed caseload, there is scope to expand this role to incorporate private practice and community work, working with our teams in Brisbane, Sunshine Coast and Toowoomba.

You will provide a variety of services such as:

- Comprehensive initial resident assessments
- Nail care, infection control and wound management
- Development of individual care plans

### **About the Company**

Intrinsic Health are aged care experts. We create successful partnerships with aged care providers by delivering Holistic Resident centred focused services that enhance the health and wellbeing of our residents. We recognise that health is experienced physically, psychologically and socially. With this in mind we adopt a holistic and individualised approach to treatment through comprehensive assessment, centred around the goals of residents and their families.

Our genuine care and support for our employees is to promote the same level of support and care to our residents. Being a part of our company, not only comes with a high level of care for our employees, we also pride ourselves on our culture.

### **Requirements**

- Degree in Podiatry
- Current AHPRA Registration
- Full set of instruments, autoclave and consumables (negotiable)
- Excellent communication skills, both verbal and written
- Genuinely passionate about working in Aged Care
- Exceptional time management skills
- Ability to work autonomously and as a part of a multi-disciplinary team
- Knowledge and understanding of the ACFI User Guide
- The right to work in Australia
- Current drivers' licence and access to vehicle
