### Full job description

#### Your new company

A leading project builder who have a strong reputation at providing quality family homes and developments has an immediate role for an experienced building supervisor to help continue to deliver there homes in Melbourne's outer south east

#### Your new role

Working as part of a small and collaborative construction department, the role will see the successful candidate being responsible for the delivery of a manageable portfolio throughout Melbourne's south eastern suburbs. The role will see you responsible for scheduling and coordinating trades, monitoring quality and budgets and ensuring OHS standards are adhered to.

#### What you'll need to succeed

In order to be considered for this opportunity you will ideally have

- a carpentry background
- Experience using Framework, Build Trend or similar workflow programs
- proven residential site supervision experience managing a portfolio of 15-17 homes.
- Good communication and diary management skills are essential and trade base across Melbourne's south and east preferable but not essential.

#### What you'll get in return

For your skills and experience you will be joining a company who are experiencing significant growth and with that potential career progression
