### Full job description

- **Community-based Centre at beautiful beachside location.**
- **Monthly RDO's & above award pay.**
- **Full time position.**

#### About the company:

Kate Cocks Child Care Centre is nestled in a quiet location close to the beach in the Southern Suburbs of Adelaide. The Centre boasts 5 rooms for the children that are well resourced to enrich the children's experience. There is a large and newly refurbished outdoor play area that is enhancing lots of natural resources and experiences for the children.

It is a 65-place community-based Centre steeped in very interesting local history and has the prevalent feel of being an extension of the family home. The cohesive staffing team takes pride in providing personalised care for each child and the children are at the centre of everything that they do.

#### About the role:

Working in the 2-3-year-old room and supporting the Team Leader, you will be a confident individual who enjoys working within a team as well as:

- Contributing to the curriculum in line with the EYLF
- Developing and maintain positive relationships with families
- Maintaining supportive relationships within your team which includes supporting the Team Leader
- Building and maintaining meaningful relationships with children
- Providing a safe and nurturing learning environment

#### Skills & experience:

To be considered for this role, you must hold a minimum of Certificate III or a Diploma in children services, a current DCSI clearance, first aid (including asthma and anaphylaxis) and current RAN Certificate as well as a high level of

understanding of the NQS and EYLF. In addition, you will have demonstrated experience in using initiative, leadership and outstanding interpersonal skills.

**Culture & benefits:**

The culture is extremely supportive of staff, children, and families. The management encourages staff to continue and thrive in their own professional development. Along with state-of-the-art refurbished backyard the Centre is continually looking of new ways to improve the Centre. Other benefits include monthly RDO's, above award wages and higher staff ratios. If you feel like you could immerse yourself within this Centre's culture and be an innovative leader and be a part of the community, I look forward to hearing from you.
