Full job description

My Client is looking for an experienced Engineering Surveyor to join their team on a large RMS project.

Engineering Surveyor

My Sydney-based client is looking for an experienced Engineering Surveyor to join their team on RMS projects in greater Sydney and regional NSW.

The successful candidate will be degree qualified and have 5 + years of surveying experience on similar projects. You must have the ability to work autonomously as well as part of a motivated and hard-working team.

What this opportunity can offer you:

- Join a young, busy and motivated company of surveyors
- Work on high profile, tier 1 projects
- Strong pipeline of civil projects across NSW
- Success on projects has led to repeat work with tier 1 clients
- Ongoing professional development encouraged and a clear progression pathway for the right candidate
- Personable senior management

To be considered for the role, you will need:

- Australian recognised Survey Quals - Degree or Diploma
- 5+ years Engineering Surveying experience
- Must have previously worked on an RMS project
- 12D experience essential
