About you

You should have at least 3 to 5 years experience as Care Manager within Aged Care and sound understanding of Aged Care legislation and the new SIRS.

You will have experience with the Aged Care Funding Instrument (ACFI) and will be passionate about providing high-quality person-centred care. You will have effective leadership skills and aged care experience including the ability to work at an advanced level of nursing practice in the care and management of older people. You will also have exceptional organisational and time management skills and the ability to manage a range of priorities.

With a Bachelor of Nursing or equivalent, current AHPRA registration and an impressive reputation for person-centred service in aged care, you will also demonstrate high-level listening, communication, team building and time management skills.

Previous experience in Memory Support Unit (MSU) would be an advantage.

All Southern Cross Care employees must have a current National Police Certificate for the Purpose of Aged Care.

About this opportunity

This is a rare opportunity to join a dynamic, not-for-profit organisation and help create a better future for you and your community. You'll enjoy exceptional learning and development opportunities, and salary packaging benefits that will help you to maximise your take-home pay. You will also be working with a friendly and inclusive team that genuinely cares about you.

With our organisation growing to meet the needs and exceed the expectations of our community, there's never been a better time to join the Southern Cross Care team.
