Full job description

Great opportunity for a Construction Surveyor to work on major project including large developments and high rise

This is an ideal position for a Surveyor with solid Construction experience to join a well-respected high performing Surveying team at a leading Survey practice in Sydney working on a range of small to medium-sized & highrise projects.

The company is well established having worked in Sydney for a number of years and has a great reputation with their clients and an established client base who will always turn to them as their number 1 choice.

What this role can offer you:

- Surveying on small - medium-sized Construction Projects with high profile clients
- continued training
- very supportive company that boasts a very low staff turnover
- opportunity to be mentored by industry leaders
