OPERATIONS

Full job description

Since 2004, Evolve Talent has been connecting candidates with leading Australian businesses. That is a long time to be nurturing relationships, which is why our recruitment specialists are at the forefront of the industry, both in Australia and overseas. We are known for our commitment to delivering a truly tailored, personalised service, with the highest professionalism to our clients and potential employees.

Job Description:

On behalf of our client, a leading Aluminum and glazing supplier, we are looking for Factory hands to support their operations based North of the River.

The client operates within the housing/property construction industry manufacturing goods to supply projects around Perth and the surrounding area.

What are they looking for?

- A background in an industrial manufacturing environment (However with the right attitude they are happy to fully train the future employee)
- Physically fit, have the ability to work in a high paced demanding environment
- Commitment to the cause, the management is willing to train and develop from scratch
- Reliable transport to attend work
- Attention to detail
- Temporary opportunity with the view of permanent employment
