Full job description

Your new company

You'll be joining one BIG4 Bank. They are one of the leaders in Digital Banking. This client has some of the best designers in Sydney and offers a supportive working environment.

Your new role

You'll be joining as a UXD Designer on a 6 month contract with a high possibility of extension. The client is looking for a senior designer to come on board and help design some of the best digital solutions in banking. Provide SME UX/UI design support to squad integrating new utility experience into the Bank mobile application

What you'll need to succeed

- Well versed with mobile application design and development
- Hands on experience in mobile app backend integrations
- Strong experience in native app
- Should have a strong understanding of different mobile UI frameworks
- Experienced in Banking platforms app would be a plus
- Experienced in Agile development/ways of working would be appreciated

What you'll get in return

As a UXD Designer you will receive a day rate of \$700 - \$900 + super on an initial 6-month contract and will become a part of a dynamic, fast paced company at their Haymarket office. This opportunity has potential of extension and opportunity to advance your career.

What you need to do now

To apply for this role or discuss the position in more detail please contact Neeru Dahiya on 02 92492273 or by email on neeru.neeru@hays.com.au. If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career
