Full job description

Once in a generation project! Working together, giving hope to prevent and end homelessness.

In 2020, The South Australian Government announced a significant reform agenda for the homelessness sector. In response the Toward Home Alliance was formed by some of the most experienced agencies working within the sector. The Toward Home Alliance brings together **Aboriginal Community Services, Baptist Care SA, Lutheran Care, Mission Australia, Sonder, and The Salvation Army.**

Toward Home Alliance in collaboration with the South Australian Housing Authority (SAHA) has identified a need for transformational change in the way services support people affected by homelessness. The Toward Home Alliance strategy focuses on shifting homelessness services from crisis management to early intervention and prevention. We recognise that every position within the Toward Home Alliance has a vital role to play in reducing homelessness.

And this is where you come in!

We're seeking an highly motivated and passionate Senior Leader with a strong drive to make a difference in their community for the pivotal role of **Alliance Senior Manager.**

Reporting directly to the Lead Agency CEO you will lead the development, implementation, and achievement of the overall delivery plan in collaboration with SAHA who is also an Alliance partner. In addition, you will be visibly involved in influencing South Australian homelessness strategies, reflecting the ambitious goals of The 'Toward Home' Alliance: to end homelessness in the Adelaide South Region.

This is a once-in-a-lifetime opportunity to create a legacy, to reduce homelessness, and secure a safe future for our community!

You will need qualifications in management and or business, with a working

knowledge of finance and budget control. Project management experience is essential for you to deliver on change reform and manage strategic partnerships.

In exchange for your skills and expertise, you will be well rewarded with a great salary package plus benefits. But, we all know that this isn't about the \$\$, this is our chance to make real changes for the future. It truly is a career-defining moment.

If you like the sound of where we're going, then we would love to hear from you.

How to apply

As part of your application, please provide a cover letter that evidences your experience and success in driving complex change, project management, using your political acumen to build strategic relationships and analysing and reporting performance data.
