Skills

EXCELLENT CUSTOMER SERVICE SKILLS

Full job description

Your new company

Your new company specialises in the production and installation of playgrounds and have been a leader in this space for over 20 years! Join a company that is passionate about improving the lives of everyone in the community!

Your new role

In your new role as a production operative, you will be required to perform a number of tasks that will keep everyday interesting, with no day looking the same as the day before! Your duties will include the following:

- Manufacturing different components of playgrounds using your experience working with rubber, wood and metal
- Preparation of bolt and servicing kits
- Pre-assembly and installation of playgrounds in the warehouse and on site
- Site labouring - earthworks, concreting and cleaning
- Completing repairs and other similar tasks
- Loading and unloading of delivery trucks
- General maintenance of workshop and tools
- Deliveries to sites and pickups from suppliers

What you'll need to succeed

To succeed in this role you will have experience in the construction industry that is relevant to the tasks above (i.e. carpentry, concreting, metal assembly, etc.). You will be required to possess a forklift licence and a construction industry white card. A HR licence is also desirable. You will also possess the following attributes:
