Full job description

Affection Disability Care has been providing top-quality disability care services in Australia since 2021.

We're committed to helping people by offering access to a range of exceptional services – all designed to provide best quality service to our client's satisfaction.

It's common to assume that providing disability care is easy. How hard is looking after people for a few hours? In reality, the best disability care is far more thoughtful than this. The way we see it, disability care should be about making people feel more comfortable, independent and confident as a normal human. We take everything into account when caring for our clients, ensuring all their requirements are met with highest standards– yet helping them to retain their dignity, respect and independence.

With our innovative approach, we've brought smiles to over thousands of faces and continuing.

Key responsibility supporting clients are the following:
