Full job description

Practice

The practice seeking a motivated Physiotherapist to join our dedicated, well established team of 14 physiotherapists.

This private practice has operated in Mackay since 2008 and due to expansion we have recently relocated to our brand new clinic with progressive technology, 11 treatment rooms, purpose built rehabilitation gym and Pilates studio.

Situated in the fast growing region of Mackay, you will feel welcome with inviting people, beautiful beaches and a fabulous climate all year round.

Town

Mackay is a city in Queensland, on Australia's east coast. Off the coast is a section of the Great Barrier Reef. Closer to shore are the islands of St. Bees, with reefs, rainforest and koalas, and Keswick, rich in marine life. Mackay itself is known for its Harbour Beach, marina and Bluewater Lagoon, a city water park. Inland from Mackay, Eungella National Park is a habitat for rare frogs and platypus.

Candidate

The successful applicant will enjoy a diverse case load including : Musculoskeletal, Occupational Physiotherapy, Rehabilitation, Sports, Gym and Hydrotherapy with optional Pilates, in a friendly and supportive team.

We offer very competitive commission and base rates, including paid professional development. Our pay scale is available upon request.

Full time or Part Time available - Minimum 1 year Contract. New graduate training package includes 2 years of mentoring and regular in service program across 4 senior physiotherapists (15 years plus experience)

Reference - HWQAH 1870

Following successful placement eligible candidates may be entitled to receive support and financial assistance through Health Workforce Queensland's comprehensive workforce attraction and retention incentives
