Full job description

Explore & Develop Freshwater is seeking to find an innovative, dedicated, Early Childhood Educator to join our Northern Beaches team - Recently rated EXCEEDING in every standard across all 7 Quality Areas!

At Explore & Develop Freshwater, we recognise that attitudes, skills and knowledge developed in a child's early years provide a basis for a that child's learning in later years. We believe that in order to develop their highest potential, we need to provide a strong play-based curriculum with an environment that promotes positive attitudes to learning; we do this in partnership with families, children, our passionate team of educators and through the strong connections we have formed within our local community.

Explore & Develop Freshwater team is looking for an early childhood educator to join our team alongside qualified and experienced co-educators in our Nursery Room. Our Nursery Room is designed to educate and care for 8 babies, we have 3 Educators within this room daily to nurture and support.

The successful applicant will share views around children as capable and competent learners and strive to design and implement high-quality educational programs and experiences for children alongside their co-educators.

Your excellent social and communicating skills are essential for interacting within the team and communicating with families on a day to day basis and will add exceptional value to your application.

In return for your commitment and dedication, you will enjoy working as part of a passionate, committed, supportive and highly driven team of educators, known for the delivery of high-quality education and care for children. You will also enjoy ongoing opportunities for professional development alongside your peers, the wider Explore & Develop group and the early childhood sector. You will be supported by a skilled and experienced management team every step of the way.

Our Management Management Team, consisting of our AP, NS, 0-2's EL & 3-5's EL, HR Manager, who work collaboratively with Room Leads and Educators; all of whom are skilled and experienced early childhood educators who drive high-quality pedagogy & practice and strong community connections.

What you'll need to succeed

- A hard-working, and professional being who is seeking to gain skills and qualifications within the early childhood sector.
- Early Childhood Teacher or Diploma Qualified Educator (ACECQA approved)

- Current, approved Working With Children Check.
- Current First Aid, Asthma & Anaphylaxis Certificate/s (ACECQA approved)
- Passionate about the early years, with a keen interest in educating and caring for children of the 0-3 year age group
- The ability to work collaboratively with other educators. Strong communication skills and the ability to work with others.
- Commitment to inclusive early childhood practice and social justice
- Ability to form and maintain professional relationships with families, children and other educators.
- Enthusiastic, motivated, professional, organised, flexible, and reliable

What you'll get in return

- A supportive and likeminded Management & Educational Team
- Above Award Wages
- Beautiful resources & learning environments
- Exceeding educator:child ratios across all learning environments
- Ability to connect and create strong community partnerships
- All employees are offered our Access EAP contacts should they need to access counselling. for personal or work-related concerns.
- As we are part of the Harbord Diggers Precinct at Freshwater, our team have the opportunity to access discounted fitness and aquatic memberships, café discounts and a great community environment to explore.
- Parking available onsite
- Flexible working arrangements and discounted fees for working parents
- Lunch provided daily for all team members with the children
- Professional development opportunities and access to the Explore & Develop Annual Conference featuring national and international speakers
