### Where you will be working

Griffith Base Hospital is a 119 bed facility with 100 hospital care beds and 10 maternity beds. Each year we support approximately 19,500 emergency presentations, 2,500 operations and 600 births.

Griffith Base Hospital provides and a 24 hour Emergency Department (ED) with 15 ED spaces. The ED is supported by an Intensive Care Unit (ICU) and also equipped with telehealth cameras to connect the team in Griffith with specialists across the NSW Critical Care Advisory Service.

Want to learn more about the [Griffith](#) lifestyle?

### About the Opportunity

This allied health professional is an integral part of the multidisciplinary health care team providing, planning and delivering comprehensive, high-quality care to patients/ clients of the Murrumbidgee Local Health District (MLHD) in order to support management of their health needs and to promote wellness.

The Level 3 Senior Clinical Speech Pathologist is responsible for providing a range of high-level assessment, therapeutic and preventative speech pathology services in their identified speciality area, within scope, according to relevant models of care and priorities. The clinician is able to demonstrate advanced reasoning skills and operate with minimal direct clinical supervision.

To learn more and review all role responsibilities, please review the [Position Description](#). Please note, your application must include a current resume and address all selection criteria.

### **Why work with MLHD?**

MLHD is the largest employer in the region, with over 5,000 dedicated Health Care workers across 33 hospitals and 12 primary Health Care Centres. With a dedicated focus and commitment to investing in our people, here are some of the work perks you will be eligible for when working with us:

- Generous Salary Packaging options – with incentives to assist rural and remote locations
- Our corporate health and fitness program - Fitness Passport
- Career development and progression opportunities
- Affordable housing with remarkable commute times to our picturesque regional towns
- Genuine welcoming and supportive communities with a lifestyle second to none

Please get in touch today by either [applying](#) directly or contacting Sandra Royal on [Sandra.Royal@health.nsw.gov.au](mailto:Sandra.Royal@health.nsw.gov.au), for further information.

### **Additional Information**

- Position is a Community based Speech Pathology position with a mixed case load, predominantly Paediatric.
- If you are applying for a Category 'A' position, please read and understand NSW Health [Policy Directive PD2020\\_017](#).
- You must be an Australian Citizen or Permanent Resident of Australia, or be able to independently and legally live and work in Australia by way of your own Temporary Visa

MLHD is an Equal Opportunity Employer and encourage all suitably qualified applicants to apply, including Aboriginal People and people from racial, ethnic or ethno-religious minority groups and people with disability.
