Full job description

As a Tier 1 multi disciplinary engineering and development organisation, our client has an impressive history of delivering some of Australia's Iconic / signature Infrastructure projects. Our client is growing their civil / infrastructure drafting team and currently have a need for an experienced Senior Civil Drafter to join their business. The design office is centrally located at South Bank / South Brisbane area with easy access to public transport and parking.

Ideally the role will best suit candidates with solid exposure to the detailing of roads, pavements, drainage, earthworks, line markings & signs,, Road furnishings, etc using AutoCAD. Experience to Queensland Department of Transport and Main Roads standards will be highly regarded.

It is expected that the successful candidates will have relevant local experience on civil Infrastructure / Transport projects, be able to function effectively as part of productive team, have good written / verbally communication skills, and a great attention to detail.

If you would like to be part of this major project and believe you have the experience skills and experience to add value to this project, we would like to hear from you.

To submit your application in strict confidence, click the 'apply' button. If you require further information, please contact Oscar Olsson on 07 3221 6822.
