#### Requirements:

- Tertiary qualifications in Occupational Therapy (Bachelor degree minimum)
- Own vehicle and current class "C" Queensland drivers licence or willing to obtain
- Experience in aged care is highly regarded but not essential, and we welcome applications from new graduates. (Overseas practitioners are also welcomed to apply as we have extensive support from senior Occupational Therapy)
- Strong relationship building, communication (written and verbal) and time management skills
- Excellent interpersonal skills and capacity to work productively in a team
- Australian work rights or the ability to obtain a working visa

You must be registered to practice as an Occupational Therapist with Australian Health Practitioner Regulation Agency (AHPRA), or have the qualifications for us to complete the registration, have professional indemnity insurance and pass a police check for working with the aged.

#### About Us:

At Allied Aged Care we pride ourselves on providing the highest quality allied health care services to aged care sectors in regional areas of QLD that others cannot service. We are proud to have been industry leaders in finding innovative ways to provide 'more care' for older clients regardless of government funding models. Run by a caring physiotherapist who has worked over 20 years in private practice/aged care and understands what physios and OTs need to do their best work.

Blue Ribbon Allied Health is our sister company and looks after our private practice clients (NDIS, Workcover, DVA, EPC) in regional areas of QLD including pediatrics, post-surgery and more. We see clients in clinics, at home, in pools, gyms etc.

#### Our values are

- More care in everything we do.
- Providing meaningful treatments (meaningful to our clients and to us)
- Becoming part of communities and regions we work and live
- Having passion and great communication

Salary: \$60,000.00 to \$80,000.00 /year

Education: Bachelor Degree (Required)

Licence: Australian driver's licence (Required or willing to obtain)
