### Full job description

#### Job description

In turn, to help us achieve continued growth, we are looking to invest in high performers, whether you're an experienced consultant or looking to kick start your career in our industry!

#### Client Details

We help connect thousands of people from all different backgrounds and cultures with employment opportunities across the world. How? By developing innovative workforce solutions that are focused on the future. By providing an inspiring environment for our colleagues to thrive in. Our client combines the best brands in end-to-end HR services.

#### Description

\* In this support role, you will actively register candidates, ensuring we are well prepared to support our client requirements.

\* Utilising your strong understanding of the market, you will profile and recommend candidate suitability for active vacancies.

\* Looking after the end to end process of the candidate lifecycle you will; advertise, screen, interview, profile, reference check, assess and ensure all compliancy.

\* You will build community engagement, leveraging partnerships from Job Active Providers.

\* Working in a highly reactive and fast paced environment, you will thrive off executing high calibre work.

\* You have great ability to build rapport with the diverse range of stakeholders, both internal and external.

\* Flexible working environment offered to support your work-life balance.

#### Profile

\* We are interested in hearing from energetic individuals, who are looking to

build a long-term career in recruitment.

\* You have strong management skills and can prioritise and juggle multiple tasks.

\* You are looking for a fast-paced position, you enjoy a role where you can use your well-developed influencing and interpersonal skills.

\* You are driven and committed, to thrive in an environment where your hard work is rewarded.

### **Job Offer**

We empower our people to carve their own career paths their way. After all, it's only natural that a people-focused organisation should be focused on its own people too. We will offer all the training, tools, motivation and inspiration you need to achieve exactly what you want from your career. Be that flexibility, international mobility or an enhanced work/life balance. If you can make an impact, we'll provide the career development opportunities you need to achieve your potential and thrive.
