

Group Manager - Privacy & Information Governance

Hays Policy & Strategy • Sydney CBD NSW

Base pay

\$150,000 - \$180,000

Work type

Full Time

Contract type

Permanent

Full job description

Your new company

ASX listed company with offices across Australia is seeking a privacy specialist to look after the companies' data governance in a leadership capacity. This is a critical role in improving privacy, information management and data governance to ensure best practice.

Your new role

- Designing, building, and maintaining privacy policy for information assets
- Establishing a governance program and implementing across the business
- Setting up and driving a Privacy Counsel
- Developing and reviewing a privacy compliance framework
- Tracking codes of practice to ensure compliance
- Keeping up to date with developments in privacy law and legal obligations
- Partnering with IT on strategic projects

What you'll need to succeed

- Detailed knowledge of privacy and information governance
- Legal background to understand the governance that needs to be followed
- Technical understanding of privacy laws and legislation
- Ability to influence and engage with a range of stakeholders
- Ideally experience with organisations that work with large volumes of data
- Ability to work effectively in a group function across a range of business units
- Professional qualifications in either risk, legal or compliance

What you'll get in return
