Full job description

Your new company

A leading digital organisation in Perth is looking for a Front End Developer to join their team on a permanent basis!

Your new role

You will be in a diverse position working across such applications as a Machine Learning tool interface, a web SDK and a very modern client portal.

What you'll need to succeed

A successful candidate will have a strong interest in modern technology, love a good challenge and enjoy working in a team environment.

The successful candidate will have the following skills:

- JavaScript, SQL, REST API, OO design knowledge
- React or Angular, Node, AWS, GIT or other similar systems

What you'll get in return

This is a chance to work for an exciting organisation that is different, flexible and friendly. As a permanent employee, you will have benefits like working flexibility and skill development opportunities.

What you need to do now

If you're interested in this role, click 'apply now' to forward an up-to-date copy of your CV, or call Marianna Gyulambaryan now on 08 9254 4542.

If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career.
