PROBLEM SOLVER

Full job description

Senior Digital Designer * Harris Street 21, Sydney, NSW, Australia * Full-time
 Company Description At Saatchi & Saatchi we believe NOTHING IS IMPOSSIBLE. We value FREEDOM, BRAVERY, IMAGINATION and COLLABORATION. We solve business problems with world-changing ideas. We dig for the truth, apply innovation & creativity, then execute to world-class standards. Were results obsessed. Job Description Right now, we have an exciting opportunity for a Senior Digital Designer to join our team in Sydney. In this role you will be responsible for the conceptual and design output of the digital and social department of the agency, delivering work for a variety of our biggest clients. Collaborating with the Managing Editor and working with the broader design, creative and production team, youll be able to work at pace to ideate and craft the highest quality digital & social designs. Youll be an optimistic, proactive problem solver, approachable, helpful, and able to collaborate with designers and the wider team, who loves getting involved with the culture of the agency and its people. Youll be responsible for: * Concept and Design development of digital and social assets for various clients, including but not limited to (social creative, digital display banners, landing pages, microsites, websites, etc.) * Delivering brilliant concepts and ideas for digital and social deliverables for some of Saatchi & Saatchis biggest clients. * Leading the design aspect of large-scale digital projects, including UX/wireframing, prototyping and design development of websites. * Presenting

your work directly with clients and articulating your design rationale where necessary, building a rapport with stakeholders at all levels. * Art directing social media campaigns across our key clients. * Supporting and providing mentorship to junior team members. Qualifications The person we are looking for is: * Highly skilled across the Adobe CC Suite - Design (mandatory), Editing & Animation (nice to have) * Familiar with an agency environment ideally with 5+ yrs agency experience in a Digital Designer role * Passionate about creativity, design and digital media. * A digital native with a deep understanding of designing for social and digital channels * Able to effectively manage their own time in order to successfully deliver against project timelines. * Approachable, helpful and ready for further career development in this role. Additional Information What we offer you: * A creative, fun and rewarding team culture where collaboration is key * All the benefits of being part of a global network with a Wholeself program, Learning & Development opportunities, flexible working and an industry leading parental leave policy * Opportunity to work with a diverse workforce across the network * Confidential 24 hour support via our employee assistance programme Saatchi & Saatchi, as a part of Publicis Groupe, believes that our people are our greatest asset. Our people are chosen for their personalities, their ethics and professional qualities without any exclusion, preferential treatment or discrimination. We are proud to be an equal opportunities employer and do not discriminate by reason of age, gender, gender identity, race, sexual orientation, nationality, religion or disability or any other difference. We encourage applications from all qualified individuals and will provide appropriate assistance for candidates with disabilities or special needs throughout the recruitment process upon request.
