### Full job description

\$105,000 - \$135,000 depending upon experience

WT Partnership is an international consultancy practice providing specialist cost, sustainability, facilities management and technical advisory consultancy services to the property, construction, infrastructure and resources sectors.

We're on the lookout for qualified experienced **Senior Quantity Surveyors** to work within our award-winning Sydney office. Supporting some of Sydney's key retail, commercial and residential construction projects this role will perform various quantity surveying functions including estimating, planning and cost management, cost monitoring, and accurate and timely financial reporting whilst exercising sound financial acumen with a key focus on proactively maximising value for our clients.

This role is responsible for:

- liaising with clients, architects and main contractors
- identifying and facilitating new business opportunities
- master-plan and feasibility budgets
- cost checking of developing design
- value engineering
- tender evaluations and analysis
- contract negotiations
