 Work Authorisation  
**AUSTRALIAN CITIZEN / PERMANENT RESIDENT**

This organisation is experiencing a time of strong growth and change with extra support needed to manage tax related matters for the business. This will start as a temp role with potential for permanency. Well suited for an experienced Tax Specialist looking to start a role immediately.

### **Responsibilities**

- All day to day and month to month tax compliance activities including; tax effect accounting, review of tax-sensitive general ledger accounts, review of GST, BAS, payroll tax and withholding tax returns.
- Quarterly activities include management and payment of tax instalments and tax reporting.
- Annual activities include preparation of income tax return, FBT return, transfer pricing and RAP documentation, calculation and management of inter-company management fees, preparation of relevant sections of the annual financial statements.
- Working with the Finance Manager and the business to comply with all relevant tax laws, whilst minimising direct and indirect taxation liabilities.
- Develop and maintain corporate tax governance through taxation policies and procedures.
- Provide appropriate taxation information to internal stakeholders.
- Liaise closely with tax consolidated subsidiaries and ensure terms and conditions of TSA and TFA are adhered to.
- Review and advice to the business / liaison with external advisors in all matters with a tax impact
- Develop tax risk governance procedures and undertake risk assessments as determined by the ATO.

### **Candidate Profile**

- You are CA qualified with extensive experience with both tax compliance and reporting.
- Ideally, you have commenced your career with a Big 4 or mid-tier accounting firm and are looking to expand on your commercial experience with a leading listed global organisation.
- Your verbal and written communication skills are one of your strengths you feel confident navigating data in Excel.

### **The Company, Culture & Benefits**

The organisation is a top player in its field and their products are one of the most sought after globally. Operating in the tech sector, this organisation employs thousands locally with a focus on work/life balance and opportunities to grow.
