Full job description

Mechanical Pipe Fitters

- **Short to Long Term Opportunities**
- **Attractive Hourly Rates**
- **Commencing Late July 2020**
- **FIFO from Perth**

PARC Engineering are specialists in Structural, Mechanical, Piping, Electrical and Instrumentation projects. We provide technical services to the Australian energy and resources sector with specific experience in the Minerals and Mining, Oil and Gas, Infrastructure and Power Generation Industries.

We are currently recruiting trade qualified and experienced Mechanical Pipe Fitters for an upcoming short-term contract with one of our clients.

Essential Requirements:

- Australian recognised Trade Certificate
- Flange Management
- White card
- Relevant Mechanical Pipe Fitting experience
- Work Safely at Heights (RIIWHS204D)
- Enter and Work in Confined Spaces (RIIWHS202D)
- C Class Drivers Licence
- Physically fit & ability to pass Drug & Alcohol Screening
- Full Australian work rights
- Safety focused and a reliable team player

Desirable:

- Valid BHP, FMG, Rio Tinto or Roy Hill Inductions
- Gas Test Atmosphere (MSAPMOHS217)
- Basic Fire Training (PUAWER009B/CPPFE2005A/MSAPMOHS212)
- High Risk Work Licence
- National Police Clearance

All applicants must have the right to work in Australia and point of hire is from Perth only.

If you have the relevant experience and skills as indicated above, PARC Engineering would like to hear from you so please click APPLY now to be considered.
