Full job description

Working for NSW State Government you will oversee construction and remediation crews undertaking clean up works following the natural disasters to ensure compliance with contract, record keeping and safety. You will report to the Program Manager for the duration of the assignment managing the contractors and ensuring the clean-up work is done to contract, monitor performance, advise and take responsibility for WHS.

You will manage this work through to project finalisation and handover. You will have relevant construction trade or tertiary qualifications (building, engineering etc) and a minimum of 3 years' experience as a site construction supervisor.

You will have:

- General Induction Card
- Ability to work flexibly
- Proven construction site supervision skills
- Excellent communication and interpersonal skills
- Excellent self-management and organisation skills
- Drivers Licence & Vehicle

This role is a contract position based in the Hawkesbury and will require travel to and within the area. It is paying good rates of \$60/hr + Super, initially it is for a 6 week contract, possibly extended. Hours per day/week will vary depending on construction requirements however likely to be from 40 to a maximum of 55 hours per week. It is preferable that you have your own car and reimbursement for approved travel is claimable.

Please apply via the link using Word format or for further information call Paul Bulman on 02 9249 2222 quoting Ref No: 2492713.
