Full job description

Your new company

Long established global player in the Oil and Gas market with A Grade offices in the CBD. Loyal and driven, high performing team. Join this very secure organisation in this permanent position that will allow you to grow.

Your new role

Newly created role, Spread your wings ! In this broad based position, tired of just out and out analysis? Want to get involved in the bigger picture, dealing with numerous stakeholders, influencing decisions and helping drive business growth. This is a terrific opportunity to work alongside a highly experienced commercial manager in a rarely available, all encompassing role. You will be developing models, looking at various O&G assets and providing input to potential on and offshore BD opportunities.

What you'll need to succeed

Commercial expertise as an analyst or broader, economics, or corporate finance experience, proven stakeholder engagement skills. Oil and Gas expertise is required, a positive and forward looking attitude and a proven track record is essential.

What you'll get in return

This is an excellent opportunity to learn form the best and grow. You will get involved in all aspects of the business and into areas that you may not have had the chance too previously, you will be in a secure and stable environment working with some of the best in the industry.
