Full job description

ABOUT THE COMPANY.

This company is one of the largest, privately-owned Building Regulations (BCA), Fire Engineering and Access consultancies in NSW. They partner with leading Architects, Builders, Developers and Clients, and specialise in delivering commercial-grade buildings.

ABOUT THE POSITION.

This position requires you to coordinate with Builders, Architects and other Consultants, and involves site inspections and report writing. You will report to the Manager of Building Regulations and work closely alongside a collaborative and supportive leadership team.

DUTIES.

- Write reports and provide advice to clients
- Assist with training and mentoring Assistant Consultants
- Attend site inspections and client meetings
- Manage your workflow
