COMMERCIAL PROJECTS

Full job description

Your new company

Hays have partnered with a top tier builder who deliver a broad range of commercial projects, including Hospitals, Apartments, Schools, Commercial towers, University projects etc. Due to a project kicking off, they are looking for a General Foreman to join the team on a permanent basis to assist the Senior Site Manager in the running of a \$200m government funded mixed use build in the Inner South East.

Your new role

- Coordinating trades, ensuring key deadlines are met/exceeded
- Responsible for running Structure, Services, Facades and finishes at various stages of the project.
- Working with other site team members to ensure smooth delivery of key stages
- OHS - ensuring trades are operating safely

What you'll need to succeed

- 5+ years experience in a General Foreman role for a tier 1 or 2 builder in Melbourne.
- Experience in all areas of a large build build - Structures, Services, Facades and Finishes.
- Ability to commit to a 2 year project and beyond to progress through the business.
- Qualifications related to construction (trades or degree)
- Experience delivering a range of projects.

What you'll get in return

- Join a household name who are extremely busy for the years to come.
- Excellent senior management from tier 1 backgrounds
- Highly resourced project teams
- A multitude of Government projects.
- Up to date systems and processes
- Strong balance sheets, so they handpick the best subcontractors.
