Full job description

Your new company

One of Victoria's most recognisable builders, has an exciting opportunity for an experienced Building Supervisor to join their team.

With an established client base across Melbourne's South Eastern corridors, this adaptable and progressive builder have a strong pipeline of House and Land projects due to commence in 2022.

Your new role

Working in a close-knit team where fantastic back-office support is offered, as the successful candidate your key responsibilities will be to manage 10-13 sites depending on level of detail, coordinate trades, ensure adherence to high levels of quality control, liaise with key stakeholders and ensure WHS requirements are followed and lived.

What you'll need to succeed

In order to be considered for this opportunity, it is expected that you will possess

- Domestic build supervisor experience essential, with carpentry background advantageous
- Excellent construction knowledge and ability to problem solve and manage multiple sites,
- A passion to go above and beyond to ensure the client has the best experience possible!
- High levels of communication and service delivery skills, with attention to detail a must,
- Ability to coordinate and drive trades to ensure quality levels met in line with expectations and time frames
- Established trade network throughout south eastern Melbourne desirable but not essential

What you'll get in return

For your success in this role, not only will you receive a salary that will be reflective of your experience and skills, but you will also get the opportunity to

work for a builder with excellent pipeline of work and strong systems
