Full job description

Your new company

This organisation is a global financial services leader with a people first attitude and fantastic working culture. The organisation is undergoing a lot of growth and change and so it is a great time to join.

Your new role

As the Pricing Specialist within retail pricing you will be managing a team of three analysts, working across pricing analytics projects. You will manage them on a day to day basis and you will also be involved in the hands on development across customer analytics and behavioural models in line with finance pricing strategy. Working with key stakeholders in finance and risk you will provide expert advise across all retail pricing analytics.

What you'll need to succeed

- Experience with R, VBA and SQL
- Reporting experience with either Power BI or Tableau
- Exposure to working on retail pricing projects is preferred.
- End to end team management experience is a must have.

What you'll get in return

The opportunity to work for a global organisation that is growing and has a fantastic working culture. You will be involved in a cutting edge project
