Full job description

At G8 Education we understand that learning begins from birth; more development occurs in the human brain between birth to 5 years than at any other time in the life span. So, we continually strive to achieve best practice in early childhood education and care from birth to 5 years. This begins with recruiting, training and retaining dedicated educators and teachers and supporting them to continue their own professional learning, which leads to positive learning outcomes for children.

Jellybeans Child Care Meadow Springs offers a comprehensive early education program with a strong play-based learning curriculum. Children enjoy delightful indoor and outdoor play areas, rooms equipped with the latest age appropriate technology and learning resources, and a range of activities.

With more than 470 early learning centres nationwide, G8 Education has the resources to reward your dedication with generous benefits and opportunities to grow:

- Attractive wages well above award
- Sector leading 30% discount on care for each child at any G8 Education Centre for either yourself or a member of your family
- CPD Accredited 'Teaching for Tomorrow' Development Program exclusively for our teachers run by Semann & Slattery
- A dedicated Early Learning & Education Leadership Team to support you to contribute to the lives of children in their important early years.
