Full job description

Plena Healthcare: Who are we?

Plena Healthcare is a national allied health provider to the Aged Care, Community and Disability industry, with over 20 years' experience. Our physiotherapists, occupational therapists, podiatrists, speech pathologists and dietitians are passionate about the care they provide to the clients who are at the centre of everything we do.

Every day, we work together united by a common purpose; to provide quality care so people can live healthier, happier and more independent lives. With mobile therapists based around Australia, Plena Healthcare therapists provide a pivotal difference to aged care facilities and the community with an outlook focussed on collaboration, motivation, passion and inspiration.

Plena Perks:

When joining our Plena Healthcare Community, you will also unlock a multitude of Plena Perks.

- Work life balance, flexible working hours
- Industry leading Professional Development program equivalent to \$5000 annually, comprising of a Professional Development allowance that you can choose how you spend, monthly profession specific training events, quarterly interdisciplinary training events, industry webinar updated, journal clubs and lunch and learn sessions.
- 1:1 Mentoring Program, participate as a supervisee or a supervisor
- Salary Sacrificing options such as novated car leasing

Your Opportunity:

As a qualified Physiotherapist or Occupational Therapist you will be joining a large and collaborative multidisciplinary team providing personalised treatments, assessments, and client focused interventions.

Working as a Physiotherapist/Occupational Therapist (PTOT) as part of our Prahran Residential Aged Care Facility (RACF) you'll be involved in industry leading rehabilitation, reconditioning, fall prevention programs, and providing collaborative pain management programs using evidence-based practice and mix treatment modalities.

To enhance support to our customers, you will possess:

- A Bachelor's or Master's Degree in Physiotherapy or Occupational Therapy
- Current AHPRA registration and/or open to Limited Registration
- NDIS Worker Screening Check - <https://www.service.vic.gov.au/services/national-disability-insurance-scheme>
- Covid-19 Vaccination proof of vaccine - From 17 September 2021, residential aged care workers must be vaccinated against COVID-19 as a condition of employment. A minimum first dose COVID-19 vaccine must be received by this time.
- Australian working rights
- National police check

We strongly encourage applications from both graduates and experienced Physiotherapist or Occupational Therapist so we can tailor the opportunity to YOUR experience.
