- Undertake assessments, develop plans & strategies and provide individualised intervention.
- The interventions will be carried out in a school setting exclusively.
- Interventions are one-on-one and have a focus on evidence-based practice - you will liaise with families, teachers, professionals & support staff.

Requirements:

- Tertiary Qualification in Occupational Therapy (with AHPRA registration)
- Good written and verbal communication with the ability to build rapport with clients and families to ensure that therapy is fun and engaging.
- Current driver's license and car with capacity to work flexibly across locations.
- Working with Children Check, National Police Check + Children's First Aid training

Benefits:

- Salary up to \$85K Base + Super
- Flexible hours- full time, part time or school hours.
- Working with a fantastic team of professionals in this friendly, multi-disciplinary team

This is an exciting opportunity to join a passionate not-for-profit organisation, bringing your expertise, values and energy to assist your paediatric clients. The caseload is extremely enjoyable and rewarding, and there is loads of flexibility on offer to work the hours that suit you!
