## Full job description

### About Vivir Healthcare:

Vivir is one of Australia's leading healthcare providers in the aged care sector and the wider community. We make a difference to over 20,000 lives every week by providing staffing solutions in residential aged care facilities, as well as in the homes of elderly people, retirement villages and hospitals.

Our team has been working to improve the lives of elderly Australians for over 20 years, blending expert aged care services with a genuine commitment to high-quality care.

### Company Benefits:

- A highly competitive remuneration
- Generous relocation assistance of up to \$5,000
- Permanent and casual opportunities
- \$700 Professional Development allowance (per annum)
- Access to hundreds of online modules to support continuous
