TEAM PLAYER

Full job description

Your new company

A large retailer that are looking to add a strong senior project manager to one of their programs. The company are known for their culture and brand across Australia.

Your new role

Your new role will be to lead projects within a complex but highly collaborative environment, drive to deliver on multiple projects, lead and develop those within the program. You will ensure all stakeholders are effectively managed both internally and externally and be confident in your abilities to lead implementations of large project systems into the business. The role will require you to provide training, change impact assessments on those large scale projects affecting large areas of the business.

What you'll need to succeed

You will be a senior project manager that has previous experience leading the implementations of large project systems and be a team player. The company prides itself on collaboration so you will promote this across your projects and be more than happy to engage in aiding other projects. You will be results driven and take your pride in improving the companies service to their customers. Strong communication and stakeholder management skills coupled with a sound understanding of the retail market would be useful.

What you'll get in return
