Full job description

Your new company

Your new company is a well established bank based in Brisbane.

Your new role

You will complete all business lending submissions in support of the customer loan application, including thorough financial and risk analysis. You will conduct thorough analysis of the customers' financial information, whilst - Proactively manage risk; meet all policy and compliance requirement, perform controls; including performing a quality and completeness check of the input provided by the Bankers/Associates adhere to process and procedures pertinent to role; and escalate events, issues or breaches as they are identified tax returns & financial statements, to determine willingness and capacity to repay. You will finally need the ability to complete Business and Consumer credit applications in a compliant and timely manner.

What you'll need to succeed

The successful candidate will need proven financial analytical skills involving balance sheets and profit and loss statements for business and personal applicants & sound knowledge with credit structures with the ability to work in a fast paced environment. Experience in Business Lending, Home Loan and ecL processing is highly desirable,

What you'll get in return

You will receive a generous salary package along with excellent training and support structures.
