Full job description

About The Role

We are looking for a Recruitment Partner to join our friendly and supportive Mackay based team. The successful applicant will come with a variety of work and life experience, a 'can do' attitude and willingness to look 'outside the box', when developing tailored pathways to employment, for our customers who have a disability, illness or injury. The role's responsibilities include:

- Network with Community organisations who work with people with a disability, illness or injury, to explain our services and attract those in our community who need support to look for work
- Engage with employers and gain an understanding of the local labour market to identify new and ongoing employment opportunities for our customers
- Develop strong relationships with customers, both face to face and over the phone, to understand their capacity to work, their employment preferences and what support, skills and knowledge they may need to get suitable work.
- Maintaining regular employer and customer contact after they start work to review their progress and ensure any issues are actioned swiftly to support them in their new workplace
- Assist the job seeker with developing the skills and knowledge they need to secure ongoing suitable work
- Work with other local community services where required to address any job seeker barriers to employment

About You

We are looking for passionate people who genuinely want to assist others in our local community with addressing the things that hold our job seekers back from securing ongoing employment. It doesn't matter if you do not have experience in our industry, however here are a few things we are looking for in

this role:

- Ability to build rapport and communicate with a wide variety of people from different backgrounds and life experience
- Not afraid to seek out and consult with local employers and community organisations to develop strong support networks and employment opportunities for our customers
- A positive attitude and a willingness to learn and adapt to an ongoing changing environment (this is a must!)
- Ability to learn and understand our contractual requirements and what it means to be 'compliant'
- Experience working in a fast-paced environment, in a high performance culture which is focused on results
- Current valid Driver's Licence, Blue and Yellow Card (or ability to obtain prior to commencement)

What We Can Offer You

In addition to a highly competitive salary package, with numerous benefits such as salary sacrifice, salary continuance, purchase of additional annual leave and corporate health insurance - this role also comes with a vehicle. We are an Equal Opportunity Employer and encourage applications from people with culturally diverse backgrounds, Aboriginal and Torres Strait Islanders and people with disabilities.
